

Reach high. For stars lie hidden in your soul.

Dream deep, for every dream leads the goal

We delight in the beauty of the butterfly, but rarely admit the changes it has gone through to achieve that beauty . It is the changes that we all go through in our lives that constantly improves us and with these words, I would like to wish you all very pleasant evening .

On behalf of management , staff and students of Seth M.R .Jaipuria school , Gonda. I cordially welcome our cheif guest_Dr. Nitin Bansal and Guest of Honour Mr Kanak Gupta , invited dignitaries & parents to this occasion, that is our school's first annual function AAGAZ-2020.... lets lead the change.

In Seth M.R. Jaipuria school, Gonda we believe every individual has a lot of potential and that potential can help accomplish wonders. That is why, it is fair to say that we thus believe that future of world starts here.

Seth M.R. Jaipuria school is the fastest growing chain of schools and has come up with 40 schools in just 4 years. Our aim is to be the source of quality education and fill the darkness with blazing light of education.

Teachers Empowerment Programs

“ Teacher’s are also learners “Staying updated is the key to success in any field, especially , in education.

Our teachers constantly strive to stay updated by attending work shops & various training programs.

First being Induction training program which was held in the beginning of the session where trainers from corporate office were here at our campus to train our teachers in the best way possible .

Next we had Up skill training program which took place at our Gomti nagar campus for the mentors across all Jaipuria schools.

After that 5th jaipuria leadership programme was organised for all the principals at Parao campus , Varanasi – Making learning In the city of temples .

Not only this Admin staff was also trained at Gomti nagar campus to enhance the working of Jaipuria .

Students Achievements-

Competitions should not only be among the fellow students of Seth M.R. Jaipuria schools, Gonda . The need is to extend their boundaries and emerge as victors among other students.

Our student got opportunity to participate in CRESCENDO, Jaipuria cultural fest and PINNACLE, Jaipuria sports fest.

Abhyuday tripathi of class 6 and Sudha tiwari of class 7 managed to outshine everyone in cursive writing competition .

The football team of SMRJSG Gonda achieved position in PINNACLE , an event held at Lucknow Campus

Our students participated in BOB wonderkid competition and Ainesh of class -5 outshined everyone and took first position in Gonda

*Our students -Abhyuday tripathi of class-6 and Aditya vikram of class-7 qualified first level of BJYU's and will soon participate in state level.

Co-curriculum activities

By providing a conducive and encouraging environment , The students are mentored to participate in a variety of Intra and inter School activities and competitions. It enables the student in their all-round development.

Coming on to Co-Curricular activities for pre-primary section-

In the beginning of the session we conducted professional visit, In which The tiny toddlers of class nursery came dressed in different professions and expressed their feelings in innocent and melodious voice. The theme of the competition was "My Dream"

Secondly we had Material enactment, A fancy dress competition in which Children were dressed up as Colgate , broom, dettol, MacDonald and delivered their act beautifully.

Easiest way for a child is to learn by reciting or singing our children learned the poem & came forward to present it with actions in poem recitation competition.

Moving over to co-curricular activities for primary Section

Not only this handwriting, Calligraphy and Typography competitions was conducted to improve their skill and confidence.

Spelling is important because it aids in reading . it helps cement the connection that is shared between sounds and letters with this thought spell B competitions for class 3rd to 7th was organised.

Story telling is an art of narrating or unfolding in narratives of story children were actively engaged in the session and hence we organised 'Me & My story competition'.

No matter where we go .. our roots should always be intact ...owing to that we organised doha and shloka competition to encourage our little ones to learn.

Experiments give birth to unexpected and miraculous things our students experimented and channelled their inner chef in cooking without fire competition .

Our students gave hype to their creativity & in best out of waste they made stuffs from news paper , old bottles , cards and many more discarded things because zero waste is our future agenda.

Diwali and Rangoli go hand in hand, so on the occasion of diwali we had Interclass Rangoli competitions where in our children played with colours to make a master piece of their own.

Life without challenges is like tea without sugar, tasteless .So we thought why not make our painting competition a bit challenging and replace canvas with face & hence we organised face painting competition.

Plants are essential for clean and green environment . So we decided to do vertical plantation in waste Plastic bottles.

Aside from individual activities , group activities were also conducted.

Our students are like blooming buds and giving them of the knowledge of good and bad touch is extremely important with this thought ,Good touch Bad touch session was conducted twice this year So this session was two times once by principal and once by teacher.

A wise man once said – After nourishment ,shelter and companionship , stories are thing we need most in the world to incite curiosity and the love for reading in children , a story telling session was taken in action.

A six day event was organised which included Creative writing leaf competitions , story narration by seniors to juniors, Mass reading in assembly, Draw your favourite book character competition, story narration by teacher and it ended with a book fair.

In the month of may, we organised a summer camp- The Jungle Safari. It gave opportunity to our children to participate in various activities . Our children got 5 days filled with fun & knowledge.

“ Leadership is not about the next election it is about the next generation “ Our leaders for next session ,our councils members were handed over their duties in investiture’s ceremony . They took the oath and promised to hold high the honour and dignity of the school.

Student Achievement Programs-

To ensure that our students are equipped to face any challenge, we have focussed on few student enrichment programs which I will be talking about

First being, Walkathon-safe city better culture

On 1st oct. 2019 children of class 6&7 participated in a rally with full enthusiasm under the guidance of child helpline organisation.

On 28th aug 2019 we organised global leaning awareness program in which Ms. Fatima from MORCOCCO Visited our campus to talk about cultural and geographical aspects with our children & they learned and enjoy a lot.

A week was dedicated to inculcating the road safety rules in our student, Safety on wheels week.

Mr. Rajesh srivastava (R.T.O) was invited to address and create awareness.

Our students of class 3 presented a role play of helpmate, belt and mobile and gave safety tips.

We organised Rajasthani theme based annual fate- Padharo for parents and children which included scrumpicious food items , cultural events , games & selfie booth.

As said by martin Rees crucial to science education is hands in involvements, showing not just telling , real experiments and field trips and not just virtual reality.

We don't have believe that just books can teach students . Learning is the process which never stops

So, we dedicated a full month to single subject for FOM (Focus Of Month)

In this month concerned subject teachers arranged various activities and competition related to the subject.

Next is IDP (Inter disciplinary project)-A concept introduced by Jaipuria which connects all the subjects under one topic to enhance quality of education.

We in Jaipuria believe in "Do and Learn". So , we include enrichment activity in our curriculam to enhance the subject knowledge of our students & hence indulge in activity based learning.

We also decided to break the monotony & give our children a boost & hence we planned educational trip to science city ,Lucknow , Bajaj sugar mill visit, post office visit and Gurudwara visit.

We should always be thankful to people who protect and safeguard us . So ,on occasion of thanks giving day our students gave cards and thanked police officers.

To add a new flavour to the daily assemblies , themes based weeks are set up like flora & fauna week ,safety on wheels week & assemblies are planned accordingly.

Events cutting across groups-

To improve upon and inspire an individual is great , but greater still is inspiring a group & with this in mind we organized parents orientation at the beginning of the session to bridge the gap between both sides . Regular PTMs are organised so that growth and learning never stops . If the process of growth is a two way process , problems will arrive and to effectively deal with it we organised One to one talk session with parents.

We also organised meri duniya contest for our parents where in they were asked to send pictures with their children. We received almost 300 entries and we have shortlisted 3 winners also.

When learning is full of fun , student involve easily & so we organised class project for pre-primary & class 1-2 with different themes & EDUFEST for students of class 3-7 where they made working models on all the subjects & presented in front of parents.

Achievements-

We have just started our journey & intend to take baby steps & gradually paint the big picture.

Our school certified in top schools of India ranking 2018 & successfully bagged first position in education world India school rankings 2019-2020 & became No.1 CO-ED school in Gonda.

We were also declared best executors of IDEAL in session 2018-19 by corporate office Jaipuria.

School improvement program-

Constant improvement is the key to success. In this endeavour ,we have introduced a few infrastructural & other developments:-

1. New children's park
2. Basketball court
3. Swimming pool

Conclusion-

To conclude , this year , we all took more collective steps towards our vision , and while one steps toward our vision , and while one step was taken, many more are to go and it is certainly achievable.

“If you are searching for that one person that will change this world , take a look in mirror and keep going . because small drops make an ocean

Thank You.
